

The Voice Of MBC

"We loved you so much that we shared with you not only God's Good News but our own lives, too." 1 Thessalonians 2:8 (NLT)

January

"Children are a gift from the Lord; they are a reward from him." Psalm 127:3

As we start out in 2022 let us all give Thanks for the gift of the children God has sent to Mechanicsville Baptist Church!

This year we are focusing on Fellowship and Family! We are investing in our children and in our community.

What can you do to help? First, pray and continue to pray! Pray for the many ministries and leaders that offer classes and programs for children and youth. Second, support these ministries financially when you are able. Third, encourage others to come visit Mechanicsville Baptist and to see how God is working within these ministries.

Last, but not least, show the children and youth that we are so Thankful that they are apart of The Mechanicsville Family! Praise them every chance you get! A kind word means so much to a child! They are not perfect... but neither are we!! Be understanding and forgiving when they don't act they way we feel they should. We ALL are a work in progress!

We invite everyone to come and enjoy our new Cocoa Bar for a time of Fellowship. We have a new special room for everyone to come get a cup of Hot Chocolate, Hot Tea or Coffee and spend time Fellowshiping together.

It will be open on Sunday mornings at 9:00am and Wednesday afternoons at 6:00pm. We look forward to seeing how God is going to use this for His Glory!

How is God going to use YOU for His Glory in 2022? There is a place for everyone here at MBC!

The CREW News

As 2021 comes to a close, I would like to reflect on everything God has been able to accomplish with our youth, The CREW.

The CREW ended 2021 finally being able to participate in our normal annual Christmas events. We were able to get MNM and Wednesday Night Bible Study started again and we had over 30 adults, youth, and children participate in this year's Darlington Christmas Parade.

In January we will begin preparing for our Fifth Annual Youth Day. The CREW will present the gospel through personal testimony, songs, and skits. Although our goal as always is to see someone accept Christ during the program, my prayer is that it will play a vital role in developing the foundation for many of the CREW's spiritual growth in 2022.

2020 and 2021 were definitely challenging years for The CREW! We are praying that 2022 will bring back a continued sense of normalcy and we will be able to continue the many ministries we love. The CREW, my family, and I would like to thank everyone at Mechanicsville Baptist Church for the overwhelming amount of support you have shown and we look forward to 2022. Mechanicsville Baptist Church is a special place and we are blessed to be a part of it.

Love in Christ,
Pastor Stanley

Weeping may last through the night, but joy comes with the morning

Psalm 30:5

God is our merciful Father and the source of all comfort. He comforts us in all our troubles so that we can comfort others

2 Corinthians 1:4

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace" (Isaiah 9:6)

It has been an absolute joy to celebrate the season of the birth of our Savior with our beautiful children. The Children participated in the Christmas Parade and spread the joy of Christmas to the waving crowds by passing out candy.

The Children presented a beautiful skit on the "Hope of Christmas" during our Christmas program. We also participated in the Christmas caroling bringing cheer to our community.

Please continue to encourage the children to come to church and please uphold the children's ministry in your prayers.

Wishing you and your family a Christ Centered Christmas and a Blessed New Year 2022.

*Warm Regards,
Evangelina Dosapati*

The center is dedicated to serving the youth of Darlington through after school homework help, college campus visits, Monday movie nights, and teaching all around life skills. Their mission is to provide opportunities for youth and adults to receive the necessary skills to become self-sufficient and productive at home, in school, and in their community. God is moving in our church!

We are ramping up our fundraising efforts in anticipation of purchasing a new piece of equipment for our playground. In the coming weeks we will have pictures of different playground pieces that we are considering to add to our current equipment. Each piece is at a different price level, and has a variety of options to offer the children of our church - and community! We hope that you will pray over this fundraising opportunity, and consider giving towards this project that we believe God is orchestrating in preparation for outreach to our neighbors, and the growth of our church. Thank you for your consideration, and we are giving God the glory for the outcome that we KNOW He will provide!

Please make sure you notify the office of any changes to your contact information and you family personal information (Birthdays / Anniversaries).

We are updating records this month.

Thank you!
