

The Voice Of MBC

"We loved you so much that we shared with you not only God's Good News but our own lives, too." 1 Thessalonians 2:8 (MLT)

"Blessed Is The Nation Whose God Is The Lord" Psalm 33:12

God still has a plan for our Nation. We maybe living in some of the darkest days but we can still see the light of His Love. Recently we have seen evidence in many places– in our nation and in the world– of the hand of the Providence of our God.

Walking across the parking lot a few months ago there was a wave of "Thankfulness" that flooded my heart. The reality of being a Christian and to live in the U.S.A. Despite social media and some news cast it's still good to be born "once" in America and to be born again in Jesus!

As we celebrate our "Freedoms" by the symbol of the Cross and the waving of our Flag I pray this wave of "Thankfulness" would permeate our community, state and our nation– glad to be born twice in America. We do not have to experience tension and stress between our Faith and or Patriotism! We can still obey God in this nation we call our Homeland!

How thankful we are for members like Ray Graham and others who spend time and resources to send a visible message that "Blessed is the National whose Lord is God"! As we come in and out of our parking lot let's be more intentional about broadcasting our Faith and Praying for our Nation. It's so easy in this world of fault finding and stone throwing not to experience a "Heartfelt Gratitude" for our Faith and for our Nation!

God Bless This Church and God Bless the U. S. A.

"Pescar Radio- El Triunfo, Honduras"

Matthew 4:19

Jesus told His disciples, "Follow me and I will make you Fishers of Men"! Maybe Mrs. Jessie will put this on my tombstone when Jesus calls me home. From the early days of my calling by God in Nesmith, S.C. this verse has been part of my vision for ministry!

On the last mission trip the need for a Radio station to "Spread the Word" was mentioned to me. Several thousand people in this area would be exposed to preaching and teaching of God's Word. I sat and discussed the possibility of a name- "Pescar radio- 104.19". The pastors loved the title and the idea of "Broadcasting" and "Networking" of the Gospel of Jesus Christ.

Since my returning March several friends and especially the Weatherford family expressed concern and have made donations to support the cause. We are in the process of meeting with pastors and government officials to break ground and build the station/ tower! Please help us pray as missionaries like myself keep spreading the "Good News of Jesus" to the whole world.

John 14:12 Greater Works
Pastor Frankie

One of the greatest Blessings of Ministry has to be the experience of watching those grow up and take leadership roles in the church! The Ark and Creation Museum were great places to visit but the leadership role Jonathan McInville on this trip was my Spiritual highlight. Sitting still and watching God use some of our younger leaders fulfills the function of discipleship- "And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." (2 Timothy 2:2) Pastor Frankie

Ark Trip 2022

After trying in 2019 to get a trip going. Covid caused us to change gears and change our date, but we were finally able to make it in 2022! We had a group of 13 leave MBC on June 8th to head to Kentucky to see the Ark Encounter and visit the Creation Museum. I believe I can speak for the entire group when I say we had a great trip with great fellowship with each other! Look forward to us having more fellowship trips and who knows, maybe another trip to the Ark Encounter and Creation Museum in the future! Jonathan McInville

We thank Jonathan for planning, persevering thru delays and disappointments to provide the opportunity for us to travel stress free to the Ark and Creation Museum. What a great time experiencing the destination but even more seeing his heart thru morning devotions and interaction with each of us! A big thank you to Ed Daisy for driving his van! Just getting to know some of our fellow travelers better was a highlight of the trip! (Sounds like one of The Lord's Blessings on our trip to heaven) As Kenny says, "Ask Jonathan to plan another Soon!"

"Community Changers: 2022"

We have come to understand when you have the right people— right plan and right place— much can be accomplished for the Lord! Our five days of camp was a labor for the Lord. Although we are still learning and growing in the Lord it was evident that the past 12 years God has taught us to utilize principles from His Word and depend on Power of Holy Spirit.

Those who attended the camp experienced our theme of "Come Alive" found in Ephesians 2:1-8 and in Ezekiel 37:1-14! Leaders in all areas seem to have the vision for getting the work done. Even the fellowship of those who signed up and continued conquered the frustration of "Hot" weather and team stress! It's amazing how Holy Spirit helped us and healed us through the whole week!

Worship was more diversified and blended with a larger community. We believe this will set the stage for next year to expand the Work of God in the Pee dee area. In fact, the attendance and spirit grew every night in worship. We documented "7" Salvations and "15" Reconciliations. Most every team had morning devotions along with our camp devotions!

The ministry of work sites was a Blessing to experience to see adult and youth working together was a highlight of the camp! All those who received help either came to the Thursday night celebration or sent a letter of gratitude. There was a wonderful spirit of "Togetherness" throughout the whole week.

For me, as Spiritual Care Coordinator, it was a week of revival and renewal. It was evident that God was moving and using this camp by His Grace and for His Glory! Already I have intentionally signed up two more young men for next year. Come and help us because Community Changers is still one of the best kept secrets in the Darlington area. I believe the "Spiritual Results" of this year have yet to be seen.

*Heart Felt Gratitude,
Pastor Frankie*

The CREW News

As June comes to a close, I would like to thank everyone who helped make Community Changers 2022 a great success. The CREW had 13 members take part in Community Changers this year. It was such a joy to watch our youth as they grew closer to each other while growing closer to God. We are already getting excited about Community Changers 2023.

With Community Changers over, our attention went to our Puerto Rico Mission Trip. Currently the CREW is on their way home from Puerto Rico where they worked with others from the island to improve the newly purchased property. They also were able to go into Aguadillia to share the gospel and pray with families. Yesterday they completed a one day outreach at a local apartment complex where they served food, played games, and shared about Jesus with local children and youth.

As July approaches, please continue to pray for The CREW. The team members who traveled were Pastor Stanley, Suzie Goodwin, Crystal Kelly, Annsley Goodwin, Aubrey Goodwin, Ashton Goodwin, Drake Adams, Jimmy Kelly, Lara Kelly, Garret Knight, Olivia Howell, Lyric Lane, Stone Godbold, and Max Ward. We would like to once again thank everyone for their prayers and support.

Love in Christ,
Pastor Stanley

****ATTENTION ALL YOUTH:** We are planning a day at Neptune Island Water Park in Hartsville on Thursday, July 7th. Ticket prices are \$15. Please see Pastor Stanley or Ms. Evangelina for details.

Encouragement in these Last Days

The Days of Noah and Lot

Jesus said before He comes it will be like the days of Noah and of Lot. The people in Noah's day were violent. Violence filled the earth and the earth was corrupt. All flesh had corrupted their way and wickedness was very great. Why? Because every intent of the thoughts of their heart was only evil-continually! Every time they looked toward the huge ark that Noah, a preacher of righteousness, was building, they were reminded that judgement was coming. They did not repent. They went on with their lives, business as usual. Drinking, eating, marrying and given in marriage. We are told in the days of Lot that the people had given themselves over to fornication and their sin was exceedingly grave. Both the young and the old. Their deeds were lawless and sensual. They went after strange flesh. They committed abominations and were Puffed up with pride, arrogant, haughty, had abundance of food, careless ease and idleness and did not help the poor and needy. Lot tried to warn his sons in law that judgement was coming and they thought he was jesting and ignored the warning. Many times when we try to warn that judgement is coming we are ignored too. Even mocked! But we are not alone as we see our world begin to change. We have each other. We are closer than ever before to hearing that trumpet sound and seeing our Bridegroom! May we tell all who will listen why we have so much hope and joy in these days! The Lord is my light and my salvation; whom shall I fear? Ps. 27:1
